Project Experience:

Current • In Development

St. Paul Public Schools, Como Park Senior High School, St. Paul, MN • Cuningham Group Architecture
CD Phase • CD Production • Contract Position • On 'Loan' From HJS

Consisting of a new entry and canopy, 45,000 square foot classroom addition and near total renovation, this existing 224,000 square foot high school will be completed in 2020 with a construction schedule consisting of 9 phases.

St. Paul Public Schools, St. Anthony Park Elementary School, St. Paul, MN • Cuningham Group Architecture
CD Phase • CD Production • Contract Position • On 'Loan' From HJS

A much needed update to this community school will consist of a 77,000 square foot renovation and addition. With challenging soil conditions and a complete mechanical overhaul this project was an exciting challenge on a tight time line.

Indigenous Peoples Task Force, Mikwanedun Audisookon: Center for Wellness, Mpls, MN • HJS Architecture
DD Phase • Project Designer • Production • Sustainability Researcher

This 13,000 sf Cultural Wellness Center synthesizes daylighting, natural materials, such as timber and Compressed Earth Block, along with green building systems, as a means of bringing natural healing to an urban environment.

Recent • 1-4 yrs

Wellness Minneapolis, Wellness Center, Mpls, MN • HJS Architecture
SD - CA Phases • Project Design Lead

This South Minneapolis commercial renovation is the new home for Wellness Minneapolis, giving them 2,200 sf of warmth to advance their purpose of whole-body healing.

Brudenell Residence, Residential Remodel and Addition, Mpls, MN • HJS Architecture + C. William Architecture
SD - DD Phases • Project Lead

This South Minneapolis house remodel and addition consisted of a new master bathroom and bedroom as well as remodeling to provide handicap accessibility for the owner.

Past • 5+ yrs

Mayo Clinic, Proton Therapy Clinic, Rochester, MN • Aecom
CA Phase • Shop Drawings • RFI's

A 140,000 SF addition to the Mayo Rochester Campus housing 4 proton particle accelerators for Oncology treatment.

Hennepin Theatre Trust, Hennepin Avenue Cultural Corridor, Downtown Minneapolis, MN • Aecom
Urban Master Planning • Client Interaction • Design • Public Workshops (Participation and Administration)

Adopted by the city of Minneapolis this year long visioning process began the task of creating a world class district with Hennepin Avenue as it's spine, stretching from the Walker Art Center to the Mississippi River. This project was a partnership in creative place-making between Hennepin Theatre Trust, The Walker Art Center, Artspace with major support from the National Endowment for the Arts and the City of Minneapolis.

Mercy Health System, Rookwood ED Building, Cincinnati, OH • Aecom
SD - DD Phase • Design Support

A 15,000 SF Emergency Department building in suburban Cincinnati.

Bergeron Family, Urban Backyard Redesign, Minneapolis, MN • Tikun Collective
Conceptual - CA Phases • Designer • Project Manager

A series of green elements, including local reclaimed barn lumber for the structure of a new screened porch, a rain garden to properly drain the site and reduce runoff and rain barrels were installed to collect storm water for irrigation, make up the core of this re-envisioned urban back yard. Designed in collaboration with Teigan Leonard (Landscape Design and landscaping).

Qatar Foundation, Sidra Medical and Research Center, Doha Qatar, UAE • Aecom / Ellerbe Becket
DD / CD Phases • Design support

A 390-bed, approximately 2,100,000 gsf freestanding acute care hospital providing world-class patient care with a focus on women's and children's health.
